Sub: ESTABLISHMENT - Temporary - South Kanara District Sri K.M.Babu Shetty, Rural Welfare Officer - Leave salary - Arrear claim.
Ref: Government Memorandum No.37671/R.W.II-53-6 dated 15.7.1953.

A bill for Rs.(68.5.0)Sixty Eight and annas five only, claiming the arrears of leave salary contribution on behalf of Sri K.M.Babu Shetty, Rural Welfare Officer, was, for the first time, sent to the Collector of South Kanara, with a covering letter dated 21.8.1951, with the request that the bill may be countersigned and transmitted to the District Treasury Officer, South Kanara, for adjustment of the contribution to the District Board Funds. As no adjustment was made till October 1951, a reminder was issued to the District Treasury Officer direct, in this office letter Roc.17999/51/E1 dated 5.10.1951.

2. The advice of the Collector, South Kanara, referred to in the Government Memorandum under reference, calling for a fresh bill appears to have been conveyed in his letter L.Dis. 23050/51, dated 19.12.1951, a copy of which was since obtained from him for reference on receipt of the Government Memorandum cited above as the original one had not been received in this office. In this letter, a fresh bill was called for by the Collector, South Kanara, as the previous bill was misplaced at the District Treasury.

3. Irrespective of the Collector's advice calling for a fresh bill, this office should have watched the adjustment of the leave salary contribution to the District Board funds. But, this was not done as I understand that after the issue of a first reminder to the District Treasury Officer, direct as aforesaid, the office copy of the bill and the covering letter thereof were mixed up inadvertently by the concerned clerk who was new to this work with the office copies of other monthly bills and thus it was lost sight of for a long time. It was traced out in February 1953 when the Collector, S.Kanara was immediately requested to get the leave salary contribution adjusted to the District Board funds. A duplicate copy of the bill was also sent to him to avoid delay.

4. In the circumstances, I request that the Government may be pleased to condone the delay in preferring the arrear claim in question and accord sanction for adjustment of the amount of the bill to the District Board funds.

Ref: From the Collector of S.Kanara, No.B7-3550/53 d/ 9-5-53.

In G.O.No.776, R.W., d/ 3-8-51, sanction was accorded to the investigation by the A.G. of the arrear claim of leave salary contribution due to the South Kanara Dt. Bd. on account of Sri K.M.Babu Shetty, R.W.O., Kumbla. The President, South Kanara Dt. Bd. thereupon preferred to the Collector a claim on 21-8-51 for the arrears. Subsequently, it was noticed that the bill was not received in the Collector's office. A fresh claim has, therefore, been made now by the Dt. Bd. for the arrear contribution. The Collector now requests fresh sanction for authorising the A.G. to investigate the claim on the assumption that Art.312 of the M.F.C. operates in this case.

It appears that Art. 312 of the M.F.C. will operate only in case the Dt. Bd. did not make any claim within six months after the orders of the Govt. were received by it. In this case, a claim was preferred in 18 days, but the bill was missing in the office of the Treasury Dy. Collector. It does not, therefore, appear that within the meaning of Art.312 read with Art.311 of the M.F.C., the claim made by the Dt. Bd. should be taken as not made within the latest date prescribed. In this view, no fresh sanction is necessary.

If, however, it is considered that under Art. 50 of the M.F.C. or otherwise, a fresh

sanction might better be made, the draft memo below may issue after acceptance by Finance.

The St. Board must be aware that claims of this kind should be preferred within 6 months from the date they fall due for payment. The payment of arrears in this case was admitted as pay (M) because it was then not a case of delay in preferring the claim but it arose due to a mistake in the pension claims.

It is now seen that the bill for the second arrear was preferred by the St. Bd. only after 1 year, & 2 months from the date of the date of advice of the Collector to send a fresh bill. The St. Board cannot disown responsibility for this delay. The amount involved is only Rs 68-5-0 & this relates to a period beyond 3 years & it does not now appear fit to sanction the Rs to investigate this claim.

The orders issued in G.O. MS 776 Rural Welfare of 3-8-51 lapsed only on 2-8-52. The Dt collector called for a fresh bill from the Dt Board as early as 19-12-51 and there was sufficient time for the Dt. There has been a delay of about a year and two months on the part of the Dt Board without any justifiable reason. The purpose in restricting arrear claims is to ensure the preference of and in other claims in time the audit may not be put into unnecessary difficulties in getting at the DC bills and investigating into the claim.

[illegible] could have been disposed when it was made in 1951. Both as it were from a mofussil it was caused in 1951. A local body is quite aware of the rule that its claims cannot be passed within 6 months. It must also be aware that a remedy lapses if it is not utilised within a year.

Having regard to the spirit of the rules may not a fit case for relaxation. The fact that the Board once presented a claim in time is not a mitigating circumstance, nor can the loss of this original bill in the T.D.C's Office overcome the default on the part of the Dt. Bd.
